

## Dear Trading Partners and Providers:

AmeriHealth Administrators, Inc. ("AmeriHealth Administrators") continues to move forward with our plans to transition X12 transactions from the current gateway to the Highmark Health Services ("Highmark") Gateway. The Highmark Gateway will be managed and maintained by Highmark Health Services, ("Highmark").

### AMERIHEALTH ADMINISTRATORS HIPAA TRANSACTION STANDARD COMPANION GUIDE IS NOW AVAILABLE

To assist you with this transition, AmeriHealth Administrators has published the HIPAA Transaction Standard Companion Guide ("Companion Guide"), which provides comprehensive information on how to submit and receive transactions through the Highmark Gateway. The Companion Guide is now available online at [www.ahatpa.com/providers/electronic\\_data\\_interchange.html](http://www.ahatpa.com/providers/electronic_data_interchange.html).

AmeriHealth Administrators is committed to ensuring a seamless transition with comprehensive communications and tools before, during, and after the transition to the Highmark Gateway. To further ensure this smooth transition, we have launched the EDI Trading Partner Business Center. This website is dedicated to trading partners who submit and receive transactions through the Highmark Gateway. Using this site, you can register to submit and receive transactions through the Highmark Gateway, as well as find additional resources and information about submitting transactions.

### ADDITIONAL INFORMATION

A repository of information about the AmeriHealth Administrators transition is available in the [EDI Services](#) section of our website. If you have any questions, please email us at [gateway.transition@amerihealth.com](mailto:gateway.transition@amerihealth.com).

Sincerely,

Michael Robak  
Vice President, Information Systems
