

PROVIDER BULLETIN
#14-2018

TO: Participating providers that provide covered services to AmeriHealth New Jersey members

FROM: Kenneth E. Kobylowski
Senior Vice President, Provider Contracting and Network Operations

DATE: June 29, 2018

SUBJECT: New EFT requirement

We are sending this bulletin to notify you that **effective January 1, 2019**, AmeriHealth HMO, Inc. and AmeriHealth Insurance Company of New Jersey (collectively, AmeriHealth New Jersey) will be implementing a new electronic funds transfer (EFT) requirement. All participating providers must register for and maintain EFT capability for the payment of claims, capitation, and incentive-based programs. EFT registration enables a direct electronic payment from AmeriHealth New Jersey to your bank account versus mailed check payments that can be lost or take several days to reach you.

Note: This new requirement will be reflected in the *Provider Manual for Participating Professional Providers* and the *Hospital Manual for Participating Hospitals, Ancillary Facilities, and Ancillary Providers* once the EFT requirement becomes effective.

The benefits of EFT

There are several benefits of using EFT over conventional paper-based methods, including:

- higher security
- faster access to funds
- reduced administrative processing time

Registration details

Registration for EFT must be completed no later than January 1, 2019, through the NaviNet® web portal by an individual who is authorized to access and maintain banking information for your organization. *Note:* This individual will be required to attest as the designated responsible party when first accessing the EFT registration screen.

We encourage you to share this information with appropriate members of your staff.

We encourage you to begin the registration process early so that you are compliant by January 1, 2019. You may choose an alternative effective date, but that date may **not** be later than January 1, 2019.

Please review the detailed *EFT Attestation and Registration Guide*, which is available in the [NaviNet Resources](#) section of the Provider News Center.

If you currently do not have an account with NaviNet, please call us at 609-662-2565.
